

## Diaper Policy

Parents/Guardians:

Recently, we have been having problems with parents/guardians not replenishing their child's supply of diapers and wipes. In the event your child has run out of diapers or wipes and you have not replenished your supply, we will provide diapers/wipes for your child. The cost will be \$5.00 per diaper and \$10.00 per day for wipes.

Please sign, date and return this form to your child's teacher. This policy is effective immediately.
